## Animal Friend Home Boarding **TERMS AND CONDITIONS**

**NO DOG will be accepted if it has or has had an aggression problem with people or other animals.**

1. Provided you are supplying your dog's food, boarding fees are £25.00 per dog per day or part day, in residence, e.g.: a dog dropped off on Saturday and picked up the next day will incur two days of boarding fees. Bitches in season, giant breeds and puppies under 1 year of age will be charged at £30.00 per dog per day. If your dog is fed the Natural Diet and you would like us to provide this for you, please add £1 per day for dogs 40lbs and under and £2 per day for dogs 40lbs and over, and £3 per day for dogs over 80lbs. Collection/Delivery of dogs may be arranged in advance and will be charged at £10 per trip, plus 26 pence per mile. If collection or delivery is from anywhere further than a 10 mile radius from Rossett, £30 per trip will be charged, plus 26 pence per mile.
2. Training fees are £15.00 per dog per day or part day in residence, e.g. a dog dropped off on Saturday and picked up the next day will incur two days of training fees. This training fee is in addition to normal boarding charges. An initial residential training course requires a minimum stay of three weeks.
3. One half of the fees are payable on dropping off the dog and the balance of the fees are payable upon collection of the dog.
4. If you have booked your dog in for boarding and/or training, and you cancel less than a month i.e. 31 days prior to commencement of board, you are liable to pay the bill in full unless Miss Short is able to fill you dog's place.
5. Dogs must be dropped off after 9.15am and collected before 5.45pm.
6. Please bring either your dog's bed or something that smells of home. Whilst beautifully laundered vet-bed is aesthetically pleasing, it does nothing to help your dog settle in! No beanbags will be accepted.
7. Please bring your dog's food, ensuring that there is enough food for the duration of your dog's stay.
8. Reimbursement for damage or veterinary costs incurred by your dog during its stay, will be expected to be paid for in full upon collection of your dog.
9. Whilst every care is taken to make your dogs stay with us a happy and enjoyable one, please note that all dogs are left at their owners risk and no responsibility can be accepted for sickness, injury or demise of the dog.
10. A/The person you name as your Contact should be someone that you trust to take full responsibility for your dog's welfare in the event of an incident of any kind preventing your dog from completing its stay.

B/ You consent to Miss Short consulting a veterinary surgeon should she in her reasonable opinion consider it necessary for the well being of your dog; and to her acting upon the advice of the veterinary surgeon in the event that you or your Contact are not available.

I have read the above terms and conditions and agree to be bound by them now and at any time in the future that my dog boards with Miss Philippa Short. Waiver of any of these terms and conditions by Miss Short shall not constitute a waiver of any other terms and conditions
