Philippa Short

**Hands on Healing for Animals**  
With Margrit Coates

**Saturday 8th February 9.45-1pm, Effingham, Surrey**

How it works and why it is an essential part of the holistic approach: this half-day event will explore the fascinating subject of healing animals.

Margrit Coates is a registered healer with The Healing Trust, the world largest healing organisation. Margrit is also a senior practitioner with the British Register of Complementary Practitioners, as a Healer Counsellor. She is the author of six books (translated into several languages), and wrote the world's first books on the topic of animal healing – Healing for Horses and Hands on Healing for Pets.

Margrit has lectured on the topic of animal healing at Southampton University and is a faculty member of the Open Center, New York. Margrit teaches and lectures worldwide. [www.thehorsehealer.com](http://www.thehorsehealer.com) and [www.theanimalhealer.com](http://www.theanimalhealer.com)

Organiser: Suzanne Rogers (Learning About Animals) .....Suzanne Rogers.....

Date: 8<sup>th</sup> February 2014

*Learning About Animals hosts events about animal behaviour and welfare with the aim of bridging the gap between academics/professionals working in the field and the people who can apply that knowledge to the animals they own and work with. The consultancy branch of Learning About Animals provides animal welfare services specialising in the fields of human behaviour change for animal welfare, participatory approaches, and animal behaviour and welfare expertise.*
